Subways runnin' under the city
Condos reachin' to the sky
Each of this own, but I feel at home
Standing on this mountain high

And right where I am
Is where I wanna be
It's all I want
It's all I need
Forever in your arms
It's alright with me
'Cause right where I am's where I wanna be

Talk on the cell phone, checkin' her e-mail
The fax is a way of life
She's shoppin' at home with QVC on
And surfin' on-line

And right where I am
Is where I wanna be
It's all I want
It's all I need
Forever in your arms
It's alright with me
'Cause right where I am's where I wanna be

Satellite feed out in the country
Oh what a way of life
Turn off the tv
Shut down the pc
And cllck off the world tonight

And right where I am
Is where I wanna be
It's all I want
It's all I need
Forever in your arms
It's alright with me
'Cause right where I am's where I wanna be

Yeah...
Right where I am

Where I wanna be

Subways runnin' under the city
Satellite feed out in the country
Each to his own I feel at home
Standin' on this mountain high
Right where I am
Right where I am, where I wanna be
Where I wanna be
