She and I live in our own little world
Don't worry about the world outside

She and I agree, she and I lead a perfectly normal life
Ah but just because we aren't often seen socially
People think we've something to hide
But all our friends know we're just a little old fashioned
She and I

Oh ain't it great, aint it fine
To have a lover someone that others can't find
Ain't it wonderful to know, all we ever need is just the
two of us
She and I, so wonderful, she and I

Ah she and I share with every body else
The same wants, needs and desires
Ah she and I save, she and I pay on everything we
acquire

Ah but just because we aren't often seen separately
People think we live one life
Its hard for them to see how anyone could be
As close as she and I

Oh ain't it great, well aint it fine
To have a lover someone that others can't find
Ain't it wonderful to know, all we ever need is just the
two of us
She and I

She and I live in our own little world
Ain't it wonderful
She and I live in our own little world
Ain't it wonderful
Ain't it fine fine fine
Ain't it wonderful
So wonderful
[Incomprehensible]

She and I are so wonderful
Ah she and I live in our own little world, yeah yeah

Ain't it great, ain't it fine, so wonderful
She and I
