I stand here lookin' up at the stars tonight
How can one man have so much in life
As I look around me, what a picture it paints
I'm much more than lucky, I oughta give my thanks
There's food on the table, a log on the fire
And in my woman's eyes there's, love and desire

The blessings, sent from above, oh, the blessings
A life full of love when I look around I can see
All that's been given me, so I lift my eyes up
To the sky, I wanna give my, my, my, my
My thanks for the blessings

Sometimes I fall asleep at the end of the day
And I forget to thank you, I'm ashamed to say
But as I lay m down to sleep, I pray the Lord
My soul to keep, I know you can hear me here on Earth
Thank you for giving me more than I deserve

The blessings, sent from above, oh the blessings
A life full of love when I look around I can see
All that's been given me, so I lift my eyes up
To the sky, 'cause I wanna give my, my, my
My, my thanks for the blessings

Blessings, when I look around, I can see
All that's been given me, so, I lift my eyes up
To the sky, 'cause I wanna give my, my, my
My, my, thanks for the blessings
The blessings, oh, the blessings
