"There Are Angels Among Us"

I was walking home from school one day on a cold winter day
took a short cut and i lost my way. It was getting late I was scared and alone but then a kind old man took my hand and lead me home. Mom couldn't see him oh but he was standing there...and i knew in my heart he was the answer to my prayers. OOOH I believe there are angels among us sent down to us from somewhere up above. They come to you and me in our darkest hours to show us how to live to teach us how to give to guide us with the light of love
