Running scared, wonderin' what I'm doin' so far from home
Beginnin' not to care that I was so alone
Then my eyes met hers and without one word
I could tell what was gonna happen, I could feel it in my bones

By the dark o' the moon, there's a fire in the night
She took me to her room, ya know it felt so right
The heat's growin' higher, the flame of desire
By the dark o' the moon, there's a fire in the night

When she told me, she didn't often do this kind of thing
She said please hold me, hold me tight so I don't have to think
Oh her gentle touch, really moved me so much
The flames of love swept over us like a burning light

By the dark o' the moon, there's a fire in the night
She took me to her room, ya know it felt so right, so right
The heat's growin' higher, the flame of desire
By the dark o' the moon, there's a fire in the night
Fire in the night, oh yeah

By the dark o' the moon, there's a fire in the night
She took me to her room, oh ya know it felt so right, oh yeah
The heat's growin' higher, the flame of desire
By the dark o' the moon, oh there's a fire in the night

There's a fire in the night baby, we started a fire
Oh yeah, there's a fire in the night, oh, I'm on fire
By the dark o' the moon, there's a fire in the night
Oh yeah, oh yeah
