(Gary Baker - Frank J. Myers)

I need T L C A S A P.

Well, my muscles ache
And my feet are sore.
Thank God it's Friday,
And it's almost four!
It's time to hit the door!

Gonna spend the weekend
On the lake.
We've been workin' overtime
And we need a break.
And, Honey, I can't wait!

We know how to spell relief,
Got a good old fashion recipe.

A little T L C A S A P.
A little R & R for you and me
A guaranteed rat race remedie,
A little T L C A S A P.

Bring a book to read,
And a change of clothes
Well, I packed the cooler
And the Coleman stove,
And the radio.

We can float on a raft
In the sun all day
We can love in the moonlight,
Hours away,
While the crickets play.

Well, we work real hard six days a week,
Honey, this is somethin' we both need.

A little T L C A S A P.
A little R & R for you and me
A guaranteed rat race remedie,

A little T L C A S A P.

--- Instrumental ---

A little T L C A S A P.

A little R & R for you and me...

A guaranteed rat race remedie,

R & R for you and me.

T L C A S A P.

R & R for you and me...
