I need T.L.C. A.S.A.P.

Well, my muscles ache and my feet are sore  
Thank God, it's Friday and it's almost four  
And time to hit the door

I'm gonna spend the weekend on the lake  
We've been working overtime and we need a break  
And Honey, I can't wait

We know how to spell relief  
Got a good old fashion recipe

A little T.L.C. A.S.A.P.  
A little R and R for you and me  
A guaranteed rat race remedy  
A little T.L.C. A.S.A.P.

Bring a book to read and a change of clothes  
Well, I packed the cooler and a Coleman stove  
And the radio

We can [Incomprehensible] laugh in the sun all day  
We can love in a moonlight hours away  
While the crickets play

Well, we work real hard six days a week  
Honey, this is something we both need

A little T.L.C. A.S.A.P.  
A little R and R for you and me  
Guaranteed rat race remedy  
A little T.L.C. A.S.A.P.

A little T.L.C. A.S.A.P.  
A little R and R for you and me  
A guaranteed rat race remedy  
I need T.L.C. A.S.A.P.

T.L.C. A.S.A.P.  
R and R for you and me  
T.L.C. A.S.A.P.

R and R for you and me

T.L.C. A.S.A.P.
