There's a light in your eyes tonight
You know I'd know that look anywhere
You got plans and I'm one lucky man
Before we get so carried away
There's just something I've been wanting to say

When we make love
Its more to me than just an affair I want you to know
how much I care
When we make love
Oh its such a precious time we share our hearts, our
souls and our minds
When we make love, oh yeah

Watching you make your little moves
Well I can tell it's gonna be a long night
All day long, we keep holding on

It couldn't be any better than this
I got it all in my fingertips

When we make love
Oh its more than just an affair I want you to know how
much I care
When we make love
Oh its such a precious time we share our hearts, our
sols and our minds

These moments, these feelings

When we make love
Its more to me than just an affair I want you to know
how much I care
When we make love
Oh its such a precious time we share our hearts, our
souls and our minds

Oh yeah, yeah, yeah
Now lets make love, sweet love
