Why lady why can't I leave you alone?  
I try lady try but the feeling's too strong  
You stay on my mind, feel just like a fool  
Why lady, why can't I get over you?

Why lady why, it was easy before?  
I try, lady try but it ain't easy no more  
To be on my way would be the best thing to do  
Why lady why can't I get over you?

Why lady why, can't I leave you alone?  
I try lady try but the feeling's too strong  
To be on my way would be the best thing to do  
Why lady why can't I get over you?
