1, 2, 3, 4.

Take back all those things you said when you were  
tired of living,  
Hold on to the dreams we shared; they were so easy to  
believe in,  
Turn back from the way you're going; it's a rocky road  
for sure,  
Lift up your heart to Heaven, dream this dream with me  
once more.

Do it for love, do it for love,  
Do it for love.

Tell me how to love you, baby, let me know what I've  
been missing,  
Don't walk out of this life again,  
You've got me, you've got this love, this world in your  
hands.

Do it for love, do it for love,  
Do it for love, do it for love, hey.

And I can see a time when we will dare to laugh at all  
these ghosts that haunt us,  
Hey, that day we'll say we did it...did it for love.

Do it for love, (do it, do it)  
Do it for love, (do it, do it)  
Do it for love, (do it, do it)  
Do it for love. (do it, do it for love)

Do it for love, do it for love,  
Do it for love, do it for love,  
Do it for love, do it for love.
