Of all the friends I've had, you never let me down,
But nowadays I see your face; it's frozen in a frown,
You've got everything and more than anybody needs to win,
More than a waste and more than a shame - it's a sin,
it's a sin,
It's a dirty sin,
I wanna build you up, you wanna tear you down,
You're floating up for the third time, baby,
Looks like you've already drowned,
I say, "I love you, I love you," a million times - it don't ring true,
It's more than my love that you need; you need a God bigger than you.

You're so miserable,
It's hard to look at you when you're so miserable,
I don't know what to do with you; you're so miserable,
Can I get through to you?
You're so miserable, you're so miserable, yes.

You're so miserable,
I try to talk to you, but you're so miserable,
You run away, I can't walk out,
You're so miserable,
I'll be your friend to the better end,
You're so miserable, miserable,
You're so miserable,
Can you reach out to me?
Are you so miserable?
Can't see the forest or the trees,
You're so miserable,
Let go, be free, hold on to me,
You're so miserable,
You're so miserable,
You're so miserable, yes,
So miserable,
You're so miserable,
You're so miserable,
You're so miserable,
You're so miserable,
You're so miserable,

You're so miserable,
You're so miserable,
So miserable,
You're so miserable,
