## "Where Why What When"

Visit "[Where Why What When](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Where is the music  
And where is the love?  
Where is the guidance  
From heaven above?  
Why do we sit here  
Trapped in our fear?  
Why won't we listen  
Year after year?  
What course must we take  
Until we get it right?  
What plagues your dreams  
In the deep of the night?  
When will we wake up  
And see our own plight?  
When will we stand up  
And fight our own fight?

\* Tell Me\*

Where?  
Why?  
What?  
When?  
How can we start  
All over again?

Where we will run  
When there's nowhere to hide?  
Where is the answer  
For tears that we cry?  
Why is there death  
Tell me why is there pain?  
Why can't we see  
That this world is insane?  
What will we do  
When the love is destroyed?  
What will we think  
When we feel no more joy?  
When can we live  
In a world free from sin?  
When can we start  
This all over again?

\* Tell Me\*  
Where?  
Why?  
What?  
When?  
How can we start  
All over again?
