DONE WITH YOU

Music by Tish Meeks, Andrew Wood, Sam Hines

Lyrics by Tish Meeks

Stolen Kisses Music (BMI)

V1

I like your sugar coated insults  
Go great with my ball and chain  
If you're not happy with the results  
You got yourself to blame

I like the broken hearts you gave me  
Kept every single one  
Mementos from when you enslaved me  
They remind me why I'm done

Pre-chorus:

Words don't mean a thing (you say you want to)  
Actions lead to change (so why don't you)  
ass is in a sling ( face is turnin' blue)  
So far out of range

Chorus:

There's nothing else that I'd rather do  
than whatever it takes to be done with you  
There's nothing else that I'd rather do  
Than whatever it takes to be done with you

V2

Don't know how I got myself  
Into this circumstance  
Caught up in a relationship  
Shoulda been a one-night stand  
Lookin' back on all I wasted  
Years that I have lost  
All the smiles we cut and pasted  
That no one ever bought

V3

Don't know why I made the choice  
To invest my time  
into a cosmic waste of space  
Why can't I get it right?

I have to claim my baggage  
Not in charge of yours  
You've been a walking excuse  
I'm walking out the door
