FLY AWAY

Music & Lyrics by Tish Meeks

Stolen Kisses Music (BMI)

V1

It's quiet in here and I am alone,
sittin' by myself, waiting by the phone,
but it never rings because you never call,
you've got no time for me,
...no time at all
When I needed you,
you were never there
you were too absorbed in yourself to care
about the things I want about the things I need
it's way too late I think we both agree

PRE-CHORUS:

I thought I loved you
But I don't need you
And I can't stand you
I'm gonna leave you

CHORUS:

And fly away
Fly away
I'm gonna fly away

V2

No matter what I do it seems that you complain,
and now my love for you is going down the drain,
you speak of me as if I were your prize,
but you treat me bad, don't think you realize
That I've hurt so long I'm almost over you,
now you want to change
- find the love we knew
so much to fix, years of damage done
and all at once you want the love you ruined

BRIDGE:

It's over now and that's a shame
Still I don't know how to escape the pain
I feel

It's weighed on me for way too long
And now the only long I wanna be is gone
