LETHAL LOVE ADDICTION

Music by Tish Meeks, Tony Meeks

Lyrics by Tish Meeks

Stolen Kisses Music (BMI)

V1

Drowning in the cesspool that's your rancid heart

You said you'd stay with me forever

I believed you cuz I'm stupid

But that's the myth of Cupid

Thought I fell in love, but I just fell apart

Pre chorus:

Why would you say those things

We both know that you didn't mean

I hate to love you just as much as you love to hate me

Chorus:

You are the source of my affliction

A lethal love addiction

I can't stop the pain, can't stop the pain

You are a bleeding contradiction

My lethal love addiction

I can't forget your stupid, ugly face

We had it all and then you messed up everything

v2

Thrown into the lion's den of your vicious lies

I guess you think you're pretty clever

Now my heart's your hostage

And I'm not a fan of bondage

Thought I fell in love, but I just fell apart
