PSYCHO STALKER

Music by Tish Meeks, Tony Meeks, Brian Hymel

Lyrics by Tish Meeks

Stolen Kisses Music (BMI)

V1

You have a pretty face

But you make me cry

We've known each other

Such a long, long time

Not that it matters

False sense of security

I gave myself to you

Now you're harassing me

This can't continue

CHORUS:

Psycho stalker

I need a restraining order

You can't stay...

Far enough away from me

Banging on my door at 4am

Leave me alone

Don't come back again

Psycho stalker,

I don't love you anymore

V2

When I broke it off

I thought you understood

That we'd be friends

I never thought you would

Go off the deep end

Now I'm the bad guy to

Everyone we know

I can't believe you'd sink this low

You're freakin' mental

V3

I said it's over

But you wanted more

You're so unstable

You've done this before

Now no one trusts you
Blowing up my phone with
Desperate texts
Can't help but wonder
What's gonna blow next?
This isn't normal
