WINGS

Music by Tish Meeks, Tony Meeks

Lyrics by Tish Meeks

Stolen Kisses Music (BMI)

V1

Staring deep into the mirror

My reflection draws me nearer

To the empty space inside my soul

Behold your image etched in mine

Your face sends chills along my spine

And I can feel you staring back at me

Chorus:

You take my breath away

Shoot me high into the sky

Wash all my fears away

You know you make me wanna fly

You give me wings, you give me wings

V2

When I think Iâ€™ve lost control

You come along, you make me whole

Iâ€™m overcome with such a sense of peace

Dreaming dreams of life with you

Afraid youâ€™re too good to be true

Love has never come so easily

V3

Longing for your loving touch

I cannot be deterred by much

Of anything as long as I have you
