WORK OF ART

Music by Tish Meeks & Pat Wilson

Lyrics by Tish Meeks

(Stolen Kisses Music) BMI

V1

Maybe you stopped believing in soul mates

Maybe you're too damaged to love

You gotta go through some broken hearts

If you're ever gonna find the right one

CHORUS:

So stop playing it safe

Back down your guard

Turn your labor of love into a work of art

V2

Maybe you've given up on 'forever'

Maybe you can't see past the pain

No one ever said love was guaranteed

Doesn't mean you can't have the real thing

V3

Maybe the future is hopeless

Maybe you're paralyzed by your fears

Think about how tragic it would be

Passing up what you've wanted for years
