YELLOW

Music by Tish Meeks, Tony Meeks

Lyrics by Tish Meeks

Stolen Kisses Music (BMI)

V1

Why so hostile? Why so angry?

What did I ever do to you

To make you crazy, make you hate me

I come in peace, I swear

PRE CHORUS:

Talk a lot of smack about me

No guts to face me, plain disgrace me

Think about this, don't be hasty

CHORUS:

How does yellow feel?

Talk is cheap, so lets get real

How does yellow feel?

How does yellow feel?

V2

What has gotten into you?

Don't know who you think you are.

You're out of control

Just let it go

It's no big deal, I swear

V3

I've done all that I can do

You're not one to be diffused

I've got no more time for you

I'm out of here, I swear
