I know I look like someone  
who could have any girl  
but the truth is all I want and  
ever wanted is you  
listen up now, strain your ears  
take me seriously (because Iâ€™m serious)

hello, Miss you donâ€™t know my name  
I love you (I love ya)  
since the day we met the very first time  
Iâ€™ve wanted you (I wantcha)

Iâ€™m out of luck,  
Iâ€™m out of time  
thatâ€™s why Iâ€™m stuck  
in this scene of crime  
but I can assure you  
thereâ€™s nothing there to worry about (Iâ€™m just a petty-  
crook)  
Iâ€™ll steal your heart  
Iâ€™ll steal your heart, baby  
just a minor offence

And yes, youâ€™re looking good  
oh, it is understood  
but things ainâ€™t going  
the way they should  
so come and figure it out

and yes. youâ€™re looking good  
oh, it is understood  
but if you donâ€™t believe  
Iâ€™m being serious  
just come and figure it out
