Come and find me Lord
Come and find me Lord, I need Your touch tonight
IÂ've lost my way again

Come and find me Lord
Come and find me Lord, I swear that I wonÂ't hide

You give me love
You give me wonder I could not dream up

I can hold onto You
In these times of doubt and fear
I want to burn with hope
I want to trust and always know that
You are near, You are near to those who cryÂ...

Come and find me Lord
Come and find me Lord, I need Your touch tonight
IÂ've lost my way again

Come and find me Lord
Come and find me Lord, I promise I wonÂ't hide
But let you in on the insideÂ...
