God is bigger than
The air I breathe
The world we'll leave
God will save the day
And all will say
My glorious

The world's shaking
With the love of God
Great and glorious
Let the whole earth sing

And all You ever do
Is change the old for new
People, we believe that

God is bigger than
The air I breathe
The world we'll leave
God will save the day
And all will say
My glorious

Clouds are breaking
Heaven's come to earth
Hearts awakening
Let the church bells ring

And all You ever do
Is change the old for new
People, we believe that

God is bigger than
The air I breathe
The world we'll leave
God will save the day
And all will say
My glorious

My glorious (8x)

God is bigger than

The air I breathe
The world we'll leave
God will save the day
And all will say
My glorious
