[Intro]

I don't understand
Why?
See it's burning me to hold onto this
I know this is something I gotta do
But that don't mean I want to
What I'm trying to say is
That I---Love you, I just
I don't know
It's just coming to an end
Then it's better for me, to let it go now
Then to hold on, and be hurt
I gotta let it burn

[Verse 1]

It's gonna burn for me to say this
It's coming from my heart
It's been a long time coming
But we've been and fell apart
I really wanna work this out
But I don't think it's gonna change
You do but I don't
I think it's best we go our separate ways
I'm the one who's been hurt in this relationship
I ain't happy baby, always lonely baby
'Cause there's so many other things you gotta deal with
I think that we should let it burn

[Chorus]

When you feeling ain't the same and your body don't
want to
But you know you gotta let it go
Cause the party ain't jumping like it use to
Even though this might bruise you
Let it burn
Let it burn
Gotta let it burn

Deep down you know it's best for yourself but you
Hate the thought of me being with someone else
But you know that it's over

We know that it's true
Let it burn
Let it burn
Gotta let it burn

[Verse 2]

Sending pages I ain't suppose to
Got somebody here but I want you
Cause the feeling ain't the same
Find myself, calling him your name
Fellas tell me do you understand?
And all my ladies do you feel my pain?
It's the way that I feel
I know it's too late
Gotta do what is the best
I can't go running back
What I gotta do now
To get my baby back? Oooh
I just don't know how I'm gonna do without my Boo
You've been gone for too long
It's been 3-eleven days, umm-teen hours
Imma be burning till you return

[Chorus]

When you feeling ain't the same and your body don't
want to
But you know you gotta let it go
Cause the party ain't jumping like it use to
Even though this might bruise you
Let it burn
Let it burn
Gotta let it burn

Deep down you know it's best for yourself but you
Hate the thoughts of me being with someone else
But you know that it's over
We know that it's true
Let it burn
Let it burn
Gotta let it burn

[Bridge]

I'm twisted cause one side of me is telling me that I
need to let it go
On the other side I wanna break down and cry [Oooh]
I'm twisted cause one side of me is telling me that I
need to let it go
On the other side I wanna break down and cry, cry

[Breakdown]

Ooh Ooh Ooh

Ooh Ooh Ooh
Ooh Ooh Ooh
Can you feel me burning?
Ooh Ooh Ooh
Ooh Ooh Ooh

So many days, so many hours
I'm still burning til you return

[Chorus]
When you feeling ain't the same and your body don't
want to
But you know you gotta let it go
Cause the party ain't jumping like it use to
Even though this might bruise you
Let it burn
Let it burn
Gotta let it burn

Deep down you know it's best for yourself but you
Hate the thought of me being with someone else
But you know that it's over
We know that it's true
Let it burn
Let it burn
Gotta let it burn
