Oh God once again, we come into your presence with  
expectancy in our hearts  
God we know your gonna bless us  
So we lift our hands in the sanctuary  
And we give you glory and honor and praise  
Come on, come on

We lift our hands in the sanctuary  
We lift our hands to give you the glory  
We lift our hands to give you the praise  
And we will praise you for the rest of our days  
Yes, we will praise you for the rest of our days 2x

Come on lift your hands in his presence  
And if you love him open up your mouth and glorify him  
Lets take it a little higher

We clap our hands in the sanctuary  
We clap our hands to give you the glory  
We clap our hands to give you the praise  
And we will praise you for the rest of our days  
Yes, we will praise for the rest of our days

Come on clap your hands all you people  
And shout to God with the blessed of triumph

We sing a song in the sanctuary  
We sing a song to give you the glory  
We sing a song to give you the praise  
And we will praise you for the rest of our days  
Yes, we will praise you for the rest of our days

Jesus we give your the praise  
Emmanuel we lift up your name  
Heavenly Father coming Messiah  
And we will praise you for the rest of our days  
Yes, we will praise you for the rest of our days

Allelujah in the sanctuary  
Allelujah we give you the glory  
Allelujah we give you the praise  
And we will praise you for the rest of our days

Yes, we will praise you for the rest of our days

Jesus we give your the praise  
Emmanuel we lift up your name  
Heavenly Father coming Messiah  
And we will praise you for the rest of our days  
Yes, we will praise you for the rest of our days

[x5:]  
Yes, yes Lord for the rest of our days 6x

Allelujah [x6]  
For the rest of our days
