They say it takes time to get over serious relationships
but I've been waitin patiently
still stuck on you
your pictures, your face, your smiling me....

I made a big mistake
but now i gotta face
the consequences of my action
but until you're back here in my arms
I'll never have the satisfaction

I know, u know... that I'm sorry
I never meant to heart you
is there anything that i can do
to make it up to you

I'll do anything baby.....
cuz I'm sorry
I never meant to make you cry
i dont want to say good bye
I'm sorry, Sorry that I lied

Everyday that passes
I missin' more, and more
I still remember
the first time i said "hi" to you(first time i said hi to you)

I knew that this was heaven sent
cuz i was destined
to be dreaming you,
and now i messed it up
i pray to god.....
that you will forgive me
Just take me in your arms
and hold me all night long
until you will never leave me
(you'll never leave me baby)

I know, u know... that I'm sorry
I never meant to heart you
is there anything that i can do

to make it up to you

I'll do anything baby...
cuz im sorry
I never meant to make you cry
and i dont wanna say good bye
I'm sorry, Sorry that i lied

I believe, that everything happens for a reason
o0oo0ooo0o0oooo0ohhhh
(we know that everybody makes mistakes,
and every body regret sometimes)
Don't let this ruin everything that we have

I dont want you to forget
how much i love you baby
(i love you baby)
how much i miss you baby
you mean everything to me

I know, u know... that I'm sorry
I never meant to hurt you
is there anything that i can do
to make it up to you

I'll do anything baby...
cuz im sorry
and I never meant to make you cry
i dont want to say good bye
I'm sorry, Sorry that I LIED.
