[Verse 1:]

Baby I just can't take it  
I dont enjoy being hurt  
I know I smelled that perfume, the make-up on that  
shirt  
I don't believe his stories  
I know that they're all lies  
Bad as you are,you stick around and I just don't know  
why

If you was ya man (baby you)  
Never worry bout (what I do)  
I'd be coming home (back to you)  
Every night, doin' you right  
I'm are the type of woman (deserves good thangs)  
Fistful of diamonds (hand full of rings)  
Baby I'm a star (I just want to show you,you are)

[Chorus:]

I know that you love me  
Let you kiss and hug me  
Baby you're the one I want and need  
Baby good love and proctection  
Make you my selection  
Show me the way love's supposed to be  
Baby I know that you love me, kiss me, hug me  
Love me

[Verse 2:]

Your true beauty's description looks so good that it  
hurts  
You're a dime plus ninety-nine and it's a shame  
Don't even know what you're worth  
Everywhere you go they stop and stare  
Cause you're bad and it shows  
From your head to your toes, Out of control, baby you

know

If I was ya man (baby you)  
Never worry bout (what I do)  
I'd be coming home (back to you)  
Every night doin' you right  
You're the type of woman (deserves good thangs)  
Wrist full of diamonds (hand full of rings)  
Baby you're a star (I just want to show you, you are)

[Chorus:]

You should let me love you  
Let me be the one to give you everything you want and  
need  
Ooh Baby good love and protection  
Make me your selection  
Show you the way love's supposed to be  
Baby you should let me....

[Bridge:]

Baby  
You deserve better (you know you deserve better)  
I deserve  
We should be together girl (baby)  
With me and you it's whatever girl, hey!  
So can we make this thing ours?

[Chorus:]

You should let me love you  
Let me be the one to give you everything you want and  
need  
Baby good love and protection  
Make me your selection  
Show you the way love's supposed to be  
Baby you should let me love you, love you, love you

[repeat til it ends (about 3 times)]

[Mario (talking):]

Let me love you that's all you need baby
