[Spanish:]

I want everyone to stand up,
Help me praise the Lord. Yeah!
I want to hear you!
I give thanks to the Lord
Lift your hands in the air like crazy
Because He is deserving
No other can compare
My God, the glory is yours

When I think
Of the things that you've done
And the way
You've shown me your love now I know
It's got to be real how I feel
Sent from above
Jesus you
My strength when I cannot go on
The light when my sunshine is gone
I'm so glad I know

[Chorus:]

All my people in the world
Holla back
God's love
Holla what
Unconditional
If you ain't ashamed holla back
God's love
Holla what
Unconditional
247 it won't change
Remember God's love
Remains the same
All my people in the world
Holla back now
Holla what
Unconditional

[Spanish:]

If you didn't hear my the first
Time, here goes...one more time

I want everyone to stand up,
The whole world, help me
Praise the Lord

[Verse]

[Chorus]
