(Kiely)

Im getting little tired of your broken promises,promises  
Looking at your pager seeing different  
numbers,numbers  
Call you on the cell, your hanging with fellas,the fellas  
Hanging with my friends you always getting jealous  
and jealous  
I was with you when you didn't have no dollas,no dollas  
Hanging at the crib chilling with your momma,your  
mamma  
Never funded you never brought the drama,the drama  
Now you flip the script player please

Bridge:

No Iâ'm not the one (say it again say it again oh)  
No Iâ'm not the one (you do or you donâ't)

Chorus:

You do or you donâ't donâ't  
You will or you wonâ't wonâ't  
No more no more (baby Iâ'ma do it right)  
You can or you canâ't can't be a man be a man man  
No more no more (baby Iâ'ma do it right)

(Adrienne)

You Treat me like a lady when you open doors and  
doors  
But then you wanna front when your with your boys  
your boys  
How you gonna play me when I bought your clothes  
your clothes  
The ones that you be wearing when you with ya does,  
ya does  
You know you never thought I would have the nerve the  
nerve  
Think about it more since you at the curb the curb  
Blowing up my pager saying you want a chance a  
chance  
Listen when I say it player please

Chorus

(Adrienne)

I just want to know what happen to our love we used to
