Changes! (Changes!)
Changes! (Changes!)
I'm sure the cure is not there,
Anywhere to be found

Changes! (Changes!)
Changes! (Changes!)
Rearranging things to bring me down
People fill the air

Everywhere, with their changes
Everyday, every way, I found!

But my changin' self
I try to sympathize with their problems
Won't keep up with nobody else

Here today, gone away
Friends we knew, places too
Alright now, everybody changes
Changes! (Changes!)

Changes! (Changes!)
I'm sure the cure is not there,
Anywhere to be found
Changes! (Changes!)
Changes! (Changes!)
Rearranging things to bring me down
Everywhere, with their changes
People fill the air

Everyday, every way, I found!
I try to sympathize with their problems

But my changin' self

Won't keep up with nobody else
Here today, gone away
Alright now, everybody changes
Friends we knew, places too

Everybody changes

But the weather's fine
Everybody changes...
