Hey dragon  
you dont gotta do this  
Lets reevaluate our options  
throw away our old presumptions  
cause really  
you dont wanna go through this

Im really not that special  
the Boy Who Lived is only flesh and bone  
the truth is in the end  
Im pretty useless without friends  
In fact Im alone  
Just like now  
but anyhow

I spend my time at school  
trying to be this cool guy  
I never even asked for  
I dont know any spells  
Still manage to do well  
But theres only so long that can last for  
Im living off the glory  
of some stupid childrens story  
I had nothing to do with  
I just sat there and got lucky  
so level with me buddy  
I cant defeat thee  
so please dont eat me  
All I can do  
is sing this song for you

HARRY:  
Lalalalala

DRAGON:  
Rarararara

HARRY:  
Lalalalala Lalala

HARRY: (speaking) Thats right Dragon

HARRY:

You never asked to be a dragon  
I never asked to be a champion  
We both just jumped on the band wagon  
But all we need is guitar jamming

HARRY:

Lalalalala

DRAGON:

Rarararara

HARRY:

Lalalalala Lalala

HARRY: (speaking) Goodnight Dragon
