GINNY:

Ive been alone  
surrounded by darkness  
and Ive seen how heartless  
the world can be

And Ive seen you crying  
you felt like its hopeless  
Ill always do my best  
to make you see

That Harry, youre not alone  
cause youre here with me  
and nothings ever gonna bring us down  
cause nothing can keep me from lovin you  
and you know its true  
it dont matter whatll come to be  
our love is all we need to make it through

Now I know it aint easy  
(HARRY: No it aint easy)  
But it aint hard trying  
(HARRY: its so hard trying)  
everytime I see you smiling  
and I feel you so close to me  
tell me

GINNY & HARRY:

That baby youre not alone  
cause youre here with me  
and nothings ever gonna bring us down  
cause nothing can keep me from lovin you  
and you know its true  
it dont matter whatll come to be  
our love is all we need to make it through

HARRY:

Now I still have trouble  
I trip and stumble  
trying to make sense of things some times  
I look for reasons  
but I dont need em

all I need is to look in your eyes  
and I realize

RON: Hey Harry!

HARRY: You guys came back.

HARRY, RON, HERMIONE, & GINNY:

Baby youre not alone  
cause youre here with me  
and nothings ever gonna bring us down  
cause nothing can keep me from lovin you  
and you know its true  
it dont matter whatll come to be  
our love is all we need to make it through

Dialogue

HARRY:

Cause it dont matter whatll come to be  
our love is all we need to make it through
