He's climbin' in your windows  
Choppin' your people up  
Choppin'-choppin'  
So you better hide yo'kids, hide yo'wife  
Hide yo'kids, hide yo'wife  
Hide yo'kids, hide yo'wife  
And hide yo'husbands, 'cause he's slicin' ever'body out  
there

You don't have to come and confess  
We're lookin' for you  
We're gonna find you, we're gonna find you

So you can run and tell that  
Run and tell that, run and tell that  
Knife, knife-knife-knife-knife

I guess that's just one good reason  
Why you should lock the door at night

\*shrieking\*

The knife got away, leaving behind evidence  
I was attacked by some idiot in the kitchen

You're an apple, you're an apple, you're an apple  
Knife

He's climbin' in the kitchen  
Choppin' your people up  
Choppin'-choppin'  
So you better hide yo'kids, hide yo'wife  
Hide yo'kids, hide yo'wife  
Hide yo'kids, hide yo'wife  
And hide yo'husbands, 'cause he's slicin' ever'body out  
there

You don't have to come and confess  
We're lookin' for you  
We're gonna find you, we're gonna find you

So you can run and tell that

Run and tell that, run and tell that  
Knife, knife-knife-knife-knife
