Pa-Pasta, Roma Toe-May-Tah, Garlic! Ooo-La-La! IÂ'm
so delicious!

Pa-Pasta, Roma Toe-May-Tah, Garlic! Ooo-La-La! IÂ'm
so delicious!

Forget spaghetti, I want linguine. Give me fusilli,
penne, or ziti, Ravioli, Gnocchi or tortellini.

Fettuccine alfredo, Angel hair al pesto, And top it off,
With some chicken parm.

Just boil me and, Stir me once in a while, As you heat up
some sauce in a pan. (Yummy!) Or donÂ't add sauce,
And add butter instead, You can eat me completely
bland. Yum-Um-Um-Yummeee! You can eat me strand
by strand. Taaaasty! Taaasty! I wonÂ't tell if your sauce
is canned.

Pa-Pasta, Roma Toe-May-Tah,
Garlic! Ooo-La-La! IÂ'm so delicious!

Some rigatoni or meat lasagnas, I want to eat some
ricotta stuffed shells. Manicotti, Rotelle and
maccheroni.

PenneÂ's cut diagonal, Ziti is cut straight. Just cover
with cheese, Before you bake!

Just boil me and, Stir me once in a while, As you heat up
some sauce in a pan. (Yummy!) Or donÂ't add sauce,
And add butter instead, You can eat me completely
bland. Yum-Um-Um-Yummeee! You can eat me strand
