RON:

You're Harry Freakin' Potter!  
You don't understand  
you're a legend, man,  
to us all!

Every son and daughter--

RON & THE KIDS: [spoken] "SAFE!"

RON:

... From You-Know-Who,  
all because of you!  
You were small,  
but I wonder if you can recall...

[CHORUS: Oooo...]

RON:

Long story short,  
this guy,  
[whispered] "Voldemort"  
was super cruel...

HARRY:

[spoken] "Voldemort?"

THE KIDS:

[GASP!] "SHHH!!!"

CHORUS: Oooo...]

RON:

... Tried to kill you & your parents,  
and this is where it gets intensely cool...

Even though you were a tiny little boy,

you shoulda died but you survived and then destroyed  
this evil guy and it's story we enjoy to tell....

RON & THE KIDS:

You're Harry Freakin' Potter!  
We don't prefer Gandalf,  
Merlin, or Oz,  
You're a whole lot hotter!  
With that lightning scar,  
you're a superstar to us all!  
If we're in trouble we know who to call!

[DANCE BREAK]

RITA SKEETER:

You're Harry Freakin' Potter!  
I wouldn't wince at all,  
you're invincible to all harm!

Like betty crocker--

RITA SKEETER & THE KIDS:

[Oooh!]

RITA:

... I wanna eat you up!  
No one'll beat you up  
with that charm!  
Remember, Harry, kid,  
you're the Boss,  
you're the King,  
you're the Bomb!

HARRY:

But this is all so sad,  
I mean, my Mom and Dad  
were killed, long ago...

THE KIDS:

[Long ago they died!]

HARRY:

... I wanna be psyched,  
but being unliked

is all I know...

CHORUS:

[... All he knows, that's why--]

HARRY:

I never thought I'd be a part of such a fate,  
an opportunity eleven years late...  
I guess it's time for me step up to the plate  
and show 'em that I'm something great!

I'm Harry Freakin' Potter!  
I'll do what I can  
if what you say I am is true!

I can't be bothered  
by my awful past,  
I've found at last  
something I can do,  
so it's time I knew  
exactly who I am...

I'm Harry Freakin' Potter!

THE KIDS:

You're Harry Freakin' Potter!

HARRY & THE KIDS

I'm/You're Harry Freakin' Potter--

HARRY:

... And I'm the Man!

THE KIDS:

[Ahhhhhh]

HARRY & THE KIDS:

[spoken] "HARRY FREAKIN' POTTER!"
