You made my heart melt
Oh, what a feeling I felt
I got lost in your eyes
Just like in a sunrise
When I hold you, I love your way
Like I do everyday

Chorus:

I had made progress
Girl I love you I do confess
All for you, I gave my heart
All love has a start
And lets pretend
It has no end
Its goes on forever
My love I offer
Something inside I can't explain
With you, I don't feel any pain
I only feel the love
Of you I can't get enough

The day after
Of all the laughter
My love is still strong
It will go on forever long
I never want you alone
I want my love to be your own

Chorus 2x

I never want you to be alone
I want my love to be our own
I only feel the love
Of you I can't get enough
