When Love Comes To A End
You Said We Could Still Be Friends
To Me Its Not The Same
My Heart Is Now Full Of Pain

(Chorus:)

My Heart Sank, Along With My Dreams.
And Its You I Thank, For Being So Mean.
You Taught Me To Learn, How To Love.
Around I Turn, I Look To The Sky Above.
All That Can Be Spoken, So This Is How It Feels To Be
Broken.

After All I Drove You Home
A Place You Can Call Your Own
I Walked You To Your Door
We Hugged As Friends But Nothing More

(Chorus)

As I Drove Down The Street
My Heart Slows To A Steady Beat
I Lost My Whole World
After I Lost My Girl

(Chorus 2x)

Turns Out I'm Heartbroken
I Love You Was Never Spoken
Inside I'm Broken
I'm Broken
