Boom boom boom boom  
Gonna shoot you right down  
Take you in my arms  
I'm in love with you  
Love that is true  
Boom boom boom boom

I like the way you walk  
I like the way you talk  
When you walk that walk  
and you talk that talk  
You knock me out  
Right off of my feet

Shake it baby and shake,  
Shake it baby  
Shake it up baby  
Shake it baby  
Shake it now baby  
Shake it baby  
I don't mean maybe  
Shake it baby  
You're driving me crazy  
Shake it baby  
Shake it now, shake it now  
Shake it baby  
All right, all right

The way you walk  
The way you talk  
When you walk that walk  
And talk that talk  
I need you right now  
I mean right now  
I don't mean tomorrow  
I mean right now  
Shake it now, shake it now  
Shake it now shake it up baby  
Boom boom boom boom
