My baby found a new place to go
Hangs around town at the Club-a-gogo
Takes all my money for the picture show
But I know she spends it at the club-a-gogo
Let's go babe, let's go, I love you, come on, yeah!
It's one of the coolest spots in town
You take too much tho' it's bound to get you down
She's got a boy-friend they call Big Joe
He's a big shot at the club-a-gogo
Babe, come on, let's go, let's go babe, yeah!
Now they play the blues there every day and every
night
Everybody monkeys and they feel alright
Ask my friend, Meyer he'll tell you so
That there ain't no place like the club-a-gogo
Let's go babe, ah let's go, come on it's alright,
s'alright, s'alright
yeah!
I guess I can't blame her for goin' up there tho'
The place is full of soul, heart and soul, baby
It's alright dad, John Lee Hooker, Jerome Green,
Rolling Stones, Memphis Slim up there, Jimmy Reed too

baby,

Sonny Boy Williamson baby
