I got a sixty-five Cadillac  
Sparetyre on the back  
I got a charge account at Goldblatt's  
But I don't have you

I got women to the left of me  
I got women to the right of me  
I got chicks all around me  
But I don't have you

I got a tavern, a liquor store  
I got the numbers four forty-four  
I got a Mojo and don't you know  
I'm all dressed up with no place to go

I got women to the left of me  
I got women to the right of me  
I got chicks all around me  
But I ain't got you, oh baby

Yeah I got a tavern, a liquor store  
I got the numbers four forty-four  
I got a Mojo and don't you know  
I'm all dressed up with no place to go

I got a sixty-five Cadillac  
Sparetyre on the back  
Charge account at Goldblatt's  
But I ain't got you, come on baby

Yeah I got a tavern, a liquor store  
I got the numbers four forty-four  
I got a Mojo and don't you know  
I'm all dressed up with no place to go

I got a closet full of clothes  
And no matter where I go  
Got a ring in my nose  
But I ain't got you

I said I ain't got you  
Baby I ain't got you

Well I ain't got you child
