Eric Burdon & Animals - Many Rivers To Cross

Many rivers to cross
But I can't seem to find
My way over

Wandering I am lost
As I travel along
The white cliffs of Dover

Many rivers to cross
And it's only my will
That keeps me alive

I've been licked
Washed up for years
And I merely survive
Because of my pride

And this loneliness won't leave me alone
It's such a drag to be on your own
My man he left me but he wouldn't say why
Well I guess, I have to try

Many rivers to cross
But just where to begin
I'm playing for time

There'll be times I find myself
Thinking of committing
Some dreadful crime.

And this loneliness won't leave me alone
It's such a drag to be on your own
My man he left me but he wouldn't say why
Well I guess, I have to try, yeah yeah

Rivers, rivers to cross
Yeah yeah
Rivers to cross
