Oh Lucky Man

If you have a friend on whom you think you can rely
You are a lucky man
If you've found the reason to live on and not to die
You are a lucky man
Preachers and poets and scholars don't know it
Temples and statues and steeples won't show it
If you've got the secret just try not to blow it
Stay a lucky man! A lucky man!

If you've found the meaning of the truth in this old
world
You are a lucky man
If knowledge hangs around your neck like pearls
instead of chains
You are a lucky man
Takers and fakers and talkers won't tell you
Teachers and preachers will just buy and sell you
When no one can tempt you with heaven or hell
You'll be a lucky man

Takers and fakers and talkers won't tell you
Teachers and preachers will just buy and sell you
When no one can tempt you with heaven or hell
You'll be a lucky man

You'll be better by far to be just what you are
You can be what you want if you are what you are
And that's a lucky man!
Oh yeah, a lucky man
And that's a lucky, a lucky, a lucky man
A lucky, a lucky, a lucky man
