Oh, yeah, smoke stack lightning  
Hum, hum, shine down on me babe  
Well, I know since you've been gone  
Oh I ain't no piece in my home

Oh babe, I gotta go catch the next train smokin'  
Bring my bags and go  
Oh my baby nee you by my side  
Give me loving, keep me satisfied  
Hear me crying, baby, oh, oh, oh, oh all right

Hear me crying, ough, ough,  
Ough, ough, here my crying baby, ah ah ah ah  
Hear me me crying now, hey hey hey  
Smoke stack lightning, since you've been gone,  
I ain't had no peace, no peace in my home  
You don't tell me no crying, don't tell me know more  
Come on back home baby hear me crying baby  
Ough, Lord I know, ough, Lord I know, yeah  
Oh, Lord, I know oh  
Help me somebody  
Smoke stack lightning,  
Hear me crying baby,  
Hear me crying baby,  
Hear me crying baby,  
Hear me crying baby,  
Hey, all right, all right  
Smoke stack lightning  
Baby don't you know
