I was once out strolling one very hot summer's day  
When I thought I'd lay myself down to rest in a bit field  
of tall grass  
I lay there in the sun and felt it caressing my face  
As I fell asleep and dreamed

I dreamed, I was in a Hollywood movie  
And that I was the star of the movie, this really blew my  
mind  
The fact that me, an overfed, long-haired, leaping  
gnome  
Should be the star of a Hollywood movie, but there I  
was

I was taken to a place, the hall of the mountain kings  
I stood high upon a mountain top, naked to the world  
In front of every kind of girl

There was long ones, tall ones, short ones  
Brown ones, black ones, round ones, big ones, crazy  
ones  
Out of the middle, came a lady  
She whispered in my ear something crazy, she said

Spill the wine and take that pearl  
Spill the wine and take that pearl  
Spill the wine and take that pearl  
Spill the wine and take that pearl

I thought to myself what could that mean?  
Am I going crazy or is this just a dream?  
Now, wait a minute

I know, I'm lying in a field of grass somewhere  
So it's all in my head  
And then I heard her say one more time

Spill the wine and take that pearl  
Spill the wine and take that pearl  
Spill the wine and take that pearl  
Spill the wine and take that pearl

I could feel hot flames of fire roaring at my back  
As she disappeared, but soon she returned  
In her hand was a bottle of wine, in the other, a glass

She poured some of the wine from the bottle into the  
glass  
And raised it to her lips  
And just before she drank it, she said

Spill the wine and take that pearl  
Spill the wine and take that pearl  
Spill the wine and take that pearl  
Spill the wine and take that pearl
