How many names
can I use to explain
the love of my Jesus
the life that He gave

And so many times
will I praise You today
I lift up my life
cuz' You're always the same

And my offering
to You I bring

Your name is Jesus
Your name is Jesus
You're the wonderful
Counselor, my friend
You're what I hold on to
I know that You've brought me through
All the days of loss
to the cross
you knew
That I'd need a Savior

How many songs
can I sing to proclaim
Your wondrous love
oh, and beauty so great
oh, and what would I say
If You brought down the rain
oh, and every day
I walked through the pain
my heart would still say, oh

Your name is Jesus
Your name is Jesus
You're the wonderful
Counselor, my friend
You're what I hold on to
I know that You've brought me through
all the days of loss
to the cross

You knew
That I'd need a Savior

(longish guitar solo)

Well I'd need a Savior
oh, oh, oh oh oh
You're what i hold on to
I KNOW that You've brought, me through
all the days of loss
to the cross
You knew
that I'd need a Savior
I'd need a Savior
I'd need you, Sa-a-vior
