We had a fight last night
And i caught him mad
Makes me feel so sad
And im so shame

He's my only one
I give him all my love
Even though my mom says no
I just go on and on

No one's gonna take him away from me
Everyday and every night
I just wanna hold him tight
And make sure that everything stays right

And everyday and every night
To dream of him is my delight
And know that he'll stay with me all the way

He's my only one
I give him all my love
Even though my mom says no
I just go on and on

No one's gonna take him away from me
Everyday and every night
I just wanna hold him tight
And make sure that everything stays right
