hey boy did you know?
i lie awake in my dreamy bed
thinking of you and those crazy times weâ€™ve had

sometimes i wonder
whether youâ€™re a Jekyll or youâ€™re a Hyde
sometimes you are wise and tell no lies

oh i canâ€™t tell
Cause you make me feel so loved and confused
this conversation may never happen

hey girl did you know
i miss you so though it may not show
thinking of you and those crazy times weâ€™ve had

me dear i have news to tell you
your silly jokes did brighten me
you cheered me up when i was down
