Nobody else
No one can make my dreams come true
Cause no one can compare to you, yes it's you
Your love makes my wishes come true
I need to know
I need to know that you'll be my home
I need to know that you will always be mine
The love that will guide my way
It's you yes it's you that I adore
It's you who makes my life so colorful
(improve)
It's you yes it's you that I adore
It's you who makes my life so colorful
Nobody else
No one can make my dreams come true
Cause no one can compare to you, yes it's you
The love that will guide my way
Oh no I think I'm in love with you
Oh no I think I'm in love with you
Oh no I think I'm in love with you
Oh no...
