Let's go ride in Archie's sleigh—
Bring the kids, and we'll all play;
Making snow angels on Christmas Day—
It's Christmas in Riverdale.

Skate in the lake in the park,
We'll slide on the hill until it's dark;
Plush that sound! It's Hot Dog's part—
It's Christmas in Riverdale.

I miss childhood years
With our friends and family to care;
How we love Christmas Day
In the best town in the U. S. A.

Christmas in Riverdale—
Don't you wish that it would never end?
Christmas in Riverdale—
And next year, we'll do it all over again;
Come on, everyone—
We're gonna have so much fun!
It's Christmas!

Drive around town—see the Christmas lights—
Every house shines so bright
So Santa will see 'em on Christmas Night—
It's Christmas in Riverdale.

I miss childhood years
With our friends and family to care;
How we love Christmas Day
In the best town in the U. S. A.

Christmas in Riverdale—
Don't you wish that it would never end?
Christmas in Riverdale—
And next year, we'll do it all over again;
Come on, everyone—
We're gonna have so much fun!
It's Christmas!

Just like a tree in the center of town,

See the smiling faces all around.
(Listen to the Christmas sound!)
It's Christmas!

[key change, then musical bridge]
Come on, everyone—
We're gonna have so much fun!

It's Christmas in Riverdale! ...
