Title: Inside upside down

Loving you has got me upside down
Loving you has got me inside out
Upside down down side up
Tilly lilly lay la, tilly lilly lay la
Tilly lilly lay la, tilly lilly lay la

Every time I see you I feel so weak
Every time we kiss it's the same
My tongue gets tied and I just can't speak
I can only whisper your name
Hey hey hey

Loving you has got me upside down
Loving you has got me inside out
Upside down down side up
Tilly lilly lay la, tilly lilly lay la
Tilly lilly lay la, tilly lilly lay la

Girl you drive me crazy I just can't eat
Nothing every seems to be right
Night time comes and I just can't sleep
Tossing and a turning all night

Since I started loving you baby
There's one thing I want you to know
Little by little your driving me crazy
Little by little oh oh oh oh

Loving you has got me upside down
Loving you has got me inside out
Upside down down side up
Tilly lilly lay la, tilly lilly lay la
Tilly lilly lay la, tilly lilly lay la

Where did you come from who do I thank
For feeling as good as I do
The time before I meet you is totally blank
My whole life started with you

Hey hey hey

Loving you has got me upside down
Loving you has got me inside out
Upside down down side up
Tilly lilly lay la, tilly lilly lay la
Tilly lilly lay la, tilly lilly lay la

Loving you has got me upside down
Loving you has got me inside out
