Title: Rock 'n' Roll Music

First a little guitar
And then some bass
And here come the drum
Add a little organ

Aww what would we do without a rock 'n' roll music
(Rock 'n' roll music shoo bop do wap)
Ya what would we do without a rock 'n' roll music
(Rock 'n' roll music shoo bop do wap hey)

What would we have to clap our hands to
(Rock 'n' roll music shoo bop do wap)
And what would we have to get up and dance to
(Rock 'n' roll music shoo bop do wap hey)

Rock 'n' roll music make you feel alright
(Feel alright all night)
Rock 'n' roll music make you dance all night
(Dance all night alright)

Rock 'n' roll music make you feel so good
(Whoa whoa whoa whoa whoa)
Make you feel good like the music should
Aww what would we do without a rock 'n' roll music
(Rock 'n' roll music shoo bop do wap)
Ya what would we do without a rock 'n' roll music
(Rock 'n' roll music shoo bop do wap hey)

Dirty dirty dog gone

Rock 'n' roll music make the world go round
(World goes round and round)
Rock 'n' roll music is the only sound
(The only sound around)

Awww rock 'n' roll music make you feel so nice
(Whoa whoa whoa whoa whoa)
Let's rock 'n' roll once and rock 'n' roll twice

Aww what would we do without a rock 'n' roll music
(Rock 'n' roll music shoo bop do wap)
Ya what would we do without a rock 'n' roll music
(Rock 'n' roll music shoo bop do wap hey)
Awww what would we do without a rock 'n' roll music
(Rock 'n' roll music shoo bop do wap)
